PANTS AND A POUND

Thank-you very much to everyone who supported the recent 'Pants and a £' appeal in aid of Love Russia. We collected 159 pairs of pants and 24 vests as well as some socks too and over £40 in donations. These were collected on Sunday and will be taken out to Russia by members of the team who visit every 6 weeks. They take deliveries personally to the orphanages to avoid them being held for bribes and have an extra baggage allowance donated by the airline for this purpose. Support includes work in orphanages and among Christians who are foster carers and by running summer camps in nearby Estonia where they are allowed to pray and evangelise openly. Our prayers are greatly appreciated for the work and I have a few newsletters which I am happy to pass on if anyone would like to know more.
